LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

As the general mandate granted to the Directors to allot, issue, and deal with and repurchase Shares respectively, pursuant to resolutions passed by the Shareholders at the Company's annual general meeting held on 28 September 2016 will lapse at the conclusion of the AGM, resolutions will be proposed at the AGM to renew the grant of these general mandates. The relevant resolutions, in summary, are:

- an ordinary resolution to grant to the Directors a general and unconditional mandate to allot, issue, and deal with additional securities of the Company (including, inter alia, offers, agreements, options, warrants or similar rights in respect thereof) not exceeding 20% of the number of the Company's issued shares as at the date of passing the relevant resolution for the period from the close of the AGM until the conclusion of the next annual general meeting of the Company (or such earlier period as stated in the resolution) (the "**Issue Mandate**"). On the basis of 1,616,740,575 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased by the Company before the AGM, exercise in full of the Issue Mandate could result in up to 323,348,115 Shares being issued by the Company;
- an ordinary resolution to grant to the Directors a general and unconditional mandate to exercise all the powers of the Company to repurchase such number of Shares not exceeding 10% of the number of the Company's issued shares as at the date of passing the relevant resolution for the period from the close of the AGM until the conclusion of the next annual general meeting of the Company (or such earlier period as stated in the resolution) (the "**Share Repurchase Mandate**"); and
- conditional on the passing of the resolutions to grant the Issue Mandate and the Share Repurchase Mandate, an ordinary resolution to authorise the Directors to exercise the powers of the Company to allot, issue, and deal with additional securities under the Issue Mandate by adding those Shares repurchased by the Company pursuant to the Share Repurchase Mandate.

Accordingly, the Directors recommend the Shareholders to vote in favour of the proposed resolutions.

Yours faithfully,
By order of the Board
WANG Jingbo
Chairman and Chief Executive Officer

This explanatory statement includes information required under rule 10.06(1)(b) of the Listing Rules to be given to Shareholders in connection with the proposed resolutions authorising the Share Repurchase Mandate.

1. EXERCISE OF THE SHARE REPURCHASE MANDATE

On the basis of 1,616,740,575 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased by the Company before the AGM, exercise in full of the Share Repurchase Mandate could result in up to 161,674,057 Shares being repurchased by the Company during the period from the passing of the resolution relating to the Share Repurchase Mandate up to the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws to be held; and (iii) the revocation, variation or renewal of the Share Repurchase Mandate by ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to seek a general authority from Shareholders to enable the Company to repurchase Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share.

The Directors are seeking the grant of general mandate to repurchase Shares to give the Company the flexibility to do so if and when appropriate. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum of Association of the Company and the Bye-laws and the applicable laws of Bermuda. The Company is empowered under its Memorandum of Association to repurchase Shares and the same authority is given under section 42A of the Companies Act 1981 of Bermuda. The Bye-laws supplement the Company's Memorandum of Association by providing that this power is exercisable by the Directors upon such terms and subject to such conditions as they think fit. The Companies Act 1981 of Bermuda provides that the funds permitted to be utilised in connection with a share repurchase may only be paid out of either the capital paid up on the relevant repurchased shares, or the funds of the Company that would otherwise be available for dividend or distribution, or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on a share repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution, or out of the share premium account of the Company.

There might be an adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in its latest published audited accounts for the year ended 31 March 2017 in the event that the Share Repurchase Mandate were to be

carried out in full at any time during the proposed repurchase period. However, the Directors would consider the Company's financial position at times in exercising the Share Repurchase Mandate and would not propose to exercise any repurchases to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels.

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

No Directors or (to the best knowledge of the Directors having made all reasonable enquiries) any their respective close associates have a present intention, in the event that the Share Repurchase Mandate is approved and exercised, to sell Shares to the Company. No core connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Share Repurchase Mandate is approved and exercised.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Share Repurchase Mandate in accordance with the Listing Rules and all applicable laws of Bermuda, the regulations set out in the Memorandum of Association of the Company and the Bye-laws.

6. TAKEOVERS CODE CONSEQUENCES

If as the result of a repurchase of Shares a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. A waiver of this provision would not normally be given except in extraordinary circumstances.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Titan Gas Technology Investment Limited (being a substantial Shareholder), IDG Technology Venture Investment III, L.P. and Mr. Lin Dongliang, being parties acting in concert (the "**Parties**"), were interested in a total of 854,051,578 Shares representing approximately 52.83% of the issued share capital of the Company. In the event that the Directors exercise in full the Share Repurchase Mandate (if so approved) and assuming that there is no change in the number of Shares held by the Parties and there is no other change to issued share capital of the Company, the aggregate interests of the Parties in the Company will be increased to approximately 58.70% of the then issued share capital of the Company. The Directors are not aware of any Shareholder, or group of Shareholders acting in concert, who will become obliged to make a mandatory offer as a result of repurchases of Shares.

Furthermore, the Directors have no intention to exercise the Share Repurchase Mandate to such extent as would cause the public float to fall below 25% or such other minimum percentage as prescribed by the Listing Rules from time to time.

7. SHARE REPURCHASES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

8. MARKET PRICES

During each of the previous twelve months up to the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:
