On the basis of 6,094,403,851 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased by the Company before the AGM, exercise in full of the Issue Mandate could result in up to 1,218,880,770 Shares being issued by the Company;

Yours faithfully,

By order of the Board

WANG Jingbo

Chairman and Chief Executive Officer

This explanatory statement includes information required under rule 10.06(1)(b) of the Listing Rules to be given to Shareholders in connection with the proposed resolutions authorising the Share Repurchase Mandate.

1. EXERCISE OF THE SHARE REPURCHASE MANDATE

On the basis of 6,094,403,851 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased by the Company before the AGM, exercise in full of the Share Repurchase Mandate could result in up to 609,440,385 Shares being repurchased by the Company during the period from the passing of the resolution relating to the Share Repurchase Mandate up to the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws to be held; and (iii) the revocation, variation or renewal of the Share Repurchase Mandate by ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to seek a general authority from Shareholders to enable the Company to repurchase Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share.

The Directors are seeking the grant of general mandate to repurchase Shares to give the Company the flexibility to do so if and when appropriate. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum of Association of the Company and the Bye-laws and the applicable laws of Bermuda. The Company is empowered under its Memorandum of Association to repurchase Shares and the same authority is given under section 42A of the Companies Act 1981 of Bermuda. The Bye-laws supplement the Company's Memorandum of Association by providing that this power is exercisable by the Directors upon such terms and subject to such conditions as they think fit. The Companies Act 1981 of Bermuda provides that the funds permitted to be utilised in connection with a share repurchase may only be paid out of either the capital paid up on the relevant repurchased shares, or the funds of the Company that would otherwise be available for dividend or distribution, or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on a share repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution, or out of the share premium account of the Company.

There might be an adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in its latest published audited accounts for the year ended 31 March 2018 in the event that the Share Repurchase Mandate were to be

carried out in full at any time during the proposed repurchase period. However, the Directors would consider the Company's financial position at times in exercising the Share Repurchase Mandate and would not propose to exercise any repurchases to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels.

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

No Directors or (to the best knowledge of the Directors having made all reasonable enquiries) any their respective close associates have a present intention, in the event that the Share Repurchase Mandate is approved and exercised, to sell Shares to the Company. No core connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Share Repurchase Mandate is approved and exercised.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Share Repurchase Mandate in accordance with the Listing Rules and all applicable laws of Bermuda, the regulations set out in the Memorandum of Association of the Company and the Bye-laws.

6. TAKEOVERS CODE CONSEQUENCES

If as the result of a repurchase of Shares a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. A waiver of this provision would not normally be given except in extraordinary circumstances.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Titan Gas Technology Investment Limited (being a substantial Shareholder), IDG Technology Venture Investment III, L.P. and Mr. Lin Dongliang, being parties acting in concert (the "Parties"), were interested in a total of 2,265,557,200 Shares representing approximately 37.17% of the issued share capital of the Company. In the event that the Directors exercise in full the Share Repurchase Mandate (if so approved) and assuming that there is no change in the number of Shares held by the Parties and there is no other change to issued share capital of the Company, the aggregate interests of the Parties in the Company will be increased to approximately 41.30% of the then issued share capital of the Company. To the best of the knowledge and belief of the Directors, such increase may give rise to an obligation to the Parties to make a mandatory offer under the Takeovers Code. Save as disclosed above, the Directors are not aware of any Shareholders or group of Shareholders acting in concert who will become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code as a result of repurchase of Shares.

The Directors have no present intention to repurchase Shares to an extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. Furthermore, the Directors have no intention to exercise the Share Repurchase Mandate to such extent as would cause the public float to fall below 25% or such other minimum percentage as prescribed by the Listing Rules from time to time.

7. SHARE REPURCHASES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

8. MARKET PRICES

During each of the previous twelve months up to the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:

| Month | Per Share | |
|---|-------------------|------------------|
| | Highest (HK\$) | Lowest (HK\$) |
| 2017 | | |
| July | 1.88 | 1.47 |
